General Instructions

Federal:

Who Must File: All issuers making an offering of securities in reliance on an exemption under Regulation D or Section 4(6), 17 CFR 230,501 et seg. or 15 U.S.C. 77d(6).

When To File: A notice must be filed no later than 15 days after the first sale of securities in the offering. A notice is deemed filed with the U.S. Securities and Exchange Commission (SEC) on the earlier of the date it is received by the SEC at the address given below or, if received at that address after the date on which it is due, on the date it was mailed by United States registered or certified mail to that address.

Where to File: U.S. Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549.

Copies Required: Five (5) copies of this notice must be filed with the SEC, one of which must be manually signed. Any copies not manually signed must be photocopies of the manually signed copy or bear typed or printed signatures.

Information Required: A new filing must contain all information requested. Amendments need only report the name of the issuer and offering, any changes thereto, the information requested in Part C, and any material changes from the information previously supplied in Parts A and B. Part E and the Appendix need not be filed with the SEC.

Filing Fee: There is no federal filing fee.

State

This notice shall be used to indicate reliance on the Uniform Limited Offering Exemption (ULOE) for sales of securities in those states that have adopted ULOE and that have adopted this form. Issuers relying on the ULOE must file a separate notice with the Securities Administrator in each state where sales are to be, or have been made. If a state requires the payment of a fee as a precondition to the claim for the exemption, a fee in the proper amount shall accompany this form. This notice shall be filed in the appropriate states in accordance with state law. The Appendix to the notice constitutes a part of this notice and must be completed.

ATTENTION

Failure to file notice in the appropriate states will not result in a loss of the federal exemption. Conversely failure to file the appropriate federal notice will not result in a loss of an available state exemption unless such exemption is predicated on the filing of a federal notice.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB control number

EXHIBIT A

In consideration for its services, the General Partner will receive a management fee ("Management Fee"), payable monthly in arrears, equal to 0.083% (approximately 1.0% annually) of each Limited Partner's share of the Partnership's net asset value. A pro rata management fee will be charged to Limited Partners on any amounts permitted to be invested during any fiscal month. The General Partner, in its sole discretion, may waive or reduce the Management Fee with respect to one or more Limited Partners for any period of time, or agree to apply a different Management Fee for that Limited Partner.

Organizational Expenses. The Partnership shall reimburse the General Partner for all expenses related to organizing the Partnership, including but not limited to, legal and accounting fees, printing and mailing expenses and government filing fees (including blue sky filing fees) estimated at \$30,000. The Partnership will reimburse the General Partner for 1/36th of the total organizational expenses each month over a period of thirty-six (36) months. In the event the Partnership terminates prior to the thirty-six (36) month period the Partnership will no longer be liable to the General Partner for these expenses.

Operating Expenses. The Partnership will incur its own expenses. The Partnership will pay or reimburse the General Partner for all costs and expenses incurred by or on behalf of the Partnership, or for either of their benefit, including (A) all expenses incurred in connection with the offer and sale of Interests, including but not limited to marketing expenses, printing of the Memorandum and exhibits thereto, documentation of performance and the admission of Limited Partners, (B) all operating expenses of the Partnership such as tax preparation fees, governmental fees and taxes, insurance, administrator fees, communications with Limited Partners, and ongoing legal, accounting, auditing, bookkeeping, consulting and other professional fees and expenses, (C) all Partnership trading costs and expenses (e.g. brokerage commissions, custodial fees, and clearing and settlement charges), and (D) all fees to protect or preserve any investment held by the Partnership, as determined in good faith by the General Partner, and all fees and other expenses incurred in connection with the investigation, prosecution or defense of any claims by or against the Partnership.

General Partner's Expenses. The General Partner will pay its own general operating, administrative and overhead type expenses which are part of its day-to-day administration of the Partnership.

The General Partner shall receive a performance allocation equal to 20% of the portion of the Partnership's net income attributable to each Limited Partner as of the end of each quarter (including net unrealized gains). Such performance allocation shall be accrued monthly and payable quarterly. The General Partner's performance allocation is subject to what is commonly known as a "high water mark" procedure which prevents the General Partner from receiving a performance allocation as to profits that simply restore previous losses and is intended to ensure that each performance allocation is based on the long-term performance of an investment in the Partnership. This summary describes only the general method of calculating profits, losses and the General Partner's performance allocation.

The General Partner shall also receive its performance allocation upon any withdrawal by a Limited Partner, whether voluntary or involuntary, and upon termination of the Partnership. The General Partner's performance allocation shall be in addition to the proportionate allocations of income and profits, or losses, to the General Partner based upon its capital account relative to the capital accounts of all Partners. The General Partner, in its sole discretion, may waive or reduce the Performance Allocation with respect to any Limited Partner for any period of time, or agree to apply a different Performance Allocation for that Limited Partner. The General Partner may, in its discretion, reallocate a portion of its Performance Allocation to certain Limited Partners.
